Working experience

FARM MANAGER. 2005 - UNTIL NOW

Owner and manager of 30 acres of arable land with vegetable, wheat and cotton cultivations. I am responsible for growing and trading the farm's product as well as bookkeeping and delivering all the necessary paperwork.

CO-FOUNDER - IT CONSULTANT. OFFICE NET IT SOLUTIONS, 2008- 2014

My role as an IT consultant was to design, implement and support IT solutions for businesses. More specific I dealt with ERP software installation, configuration and support, network design and implementation and website development using CMS tools.

COMPUTER SCIENCE TUTOR. 2010 - 2015

As a computer tutor, I worked on teaching introduction to computer programming principles as well as computer driving licence certifications for kids, teenagers and adults.

PRODUCT OWNER / PROJECT MANAGER. FORTHEFESTIVALS APP, 2019-2020

As a product owner at "forthefestivals" app I had the responsibility for organizing the team members and assigning the tasks that needed to be fulfilled. I was entitled with the responsibility to make decisions that best fitted user needs and expectations.

Community

BOARD OF DIRECTORS MEMBER. THESGI FARMERS COOPERATION, 2015 – 2020

As an elected member of the BoD of Thesgi in the role of Financial Officer, I was responsible for planning, reporting and executing various duties. Some of these were setting strategic objectives, staff recruitment, client negotiation and budgeting.
